

Peninsula Tour

Full Day Tour

This tour offers the traveller a scenic drive down the western side of the peninsula of Cape Town, all the way down to the famous Cape Point and Cape of Good Hope. We drive back in the late afternoon on the eastern side, False Bay side, of the peninsula ending in Cape Town.

Discover why a king called it the Cape of Storms but later changed it to the Cape of Good Hope. Learn about the legend of the flying Dutchmen and how it inspired Wagner to compose a beautiful piece of music. Be mesmerised by our floral kingdom which includes the King Protea, our national flower.
