

# Winelands Tour

## Full Day Tour

Take a tour of our winelands of the Cape. This tour will not only afford you the opportunity to taste some of the best wines from the heart of the Cape winelands but will also allow you to enjoy the rich history and architecture of this unique area.

Discover our humble beginnings with the arrival of the Dutch and then the French Huguenots shaping our very own culture and that of our wine industry. Visit some farms in the Stellenbosch region.
