

City Tour

Half Day Tour

This tour is designed for those who want an overview of our mother city. For those who want to hear insightful stories of how a European settlement grew to one of the icons of South Africa.

How Cape Town could be regarded as a country within a country, with its cultures being almost as diverse as the unique floral kingdom surrounding our mother city.

This tour starts at Table Mountain for a birds-eye view of the mother city. We drive to the Bo-Kaap and learn more about the arrival of Islam and the community as colourful as their houses. Get to know about local traditions, e.g. the celebration of the second New Year (tweede nuwe jaar). Learn what Kanalla means... What is called the Cape doctor and why, also where did Devils Peak get its name from. Why did a Portuguese captain climb up Table Mountain in the 1500's? We drive you past our historical buildings such as parliament, St George's Cathedral, Castle of Good Hope, etc. Be inspired by our vibrant history of "triumph of the human spirit." Choose either to disembark at your hotel or the waterfront.
